

Residential Development:

Residential Building Permits Issued

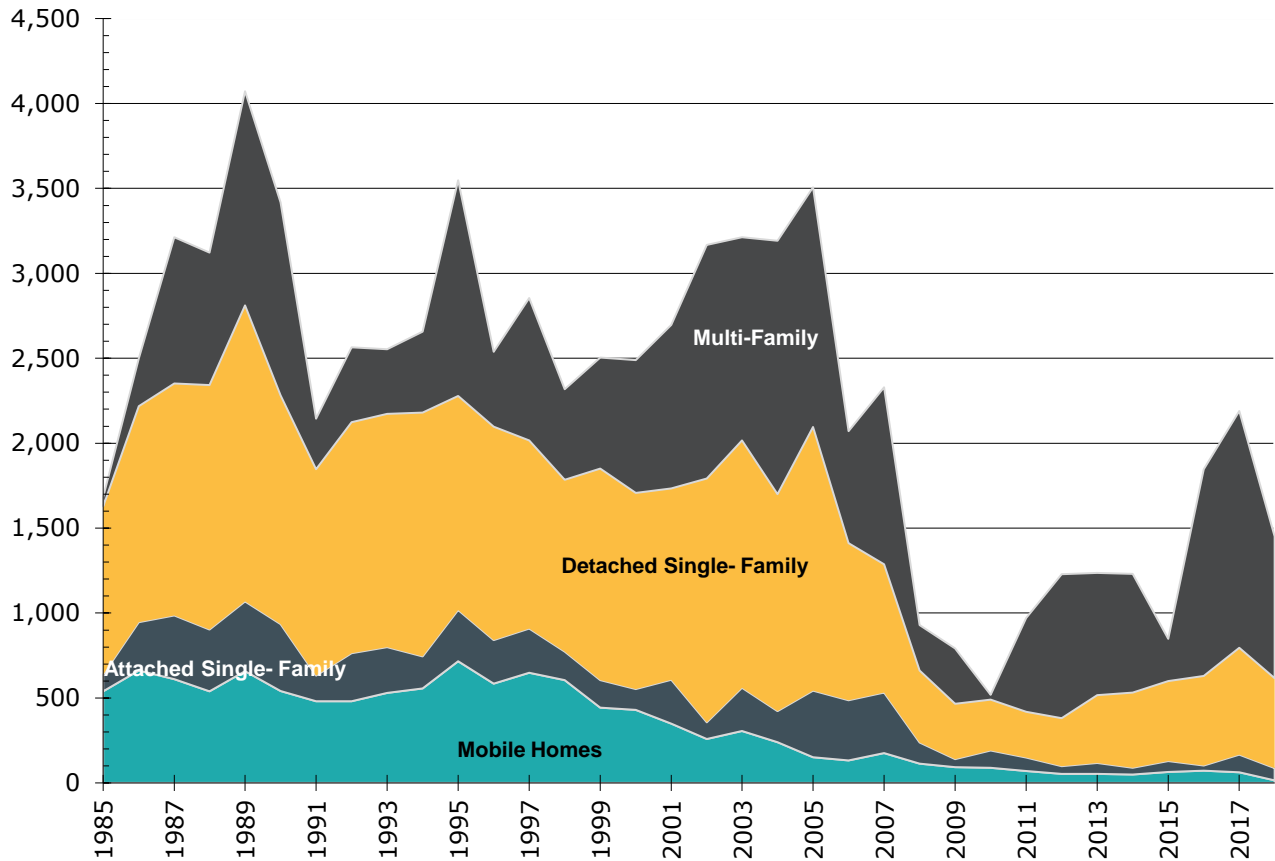

Trend: The overall level of residential building permits for new construction issued in Leon County has continued to steadily increase over the past few years. There were 734 permits issued for new single-family (detached and attached) homes in 2017, the highest level since 2007, but still well below the historical annual average of 1,224 new single-family construction permits issued per year since 1970 (earliest Planning Department records available). Multi-family new construction permits included The Lumberyard, Players Club, Stadium Enclave, Quantum on West Call, CollegeTown Phase III, and Lullwater.
