FLORIDA COMMERCE

Office of Broadband Grant Registration Portal

The FloridaCommerce Office of Broadband has launched the Broadband Grant Registration Portal to facilitate the application process for any future Office of Broadband grants.

PRE-REGISTER. APPLY. CONNECT.

THE BROADBAND GRANT REGISTRATION PORTAL IS DESIGNED TO:

- Create efficiency with broadband grant program applications.

- Confirm eligible applicants before grant cycles open.

- Receive credentials in preparation of new grant application cycle openings.

- Avoid the need for multiple registrations within the online submission system.

- Allow multiple users within an organization to collaborate on a grant application.

WHO IS ELIGIBLE TO REGISTER?

Internet Service Providers
Community Action Agencies
Local Governments
Workforce Boards
Non-Profit Organizations
Education Institutions
And More!

All applicants must register to apply for grant funding.

All upcoming broadband grant applications will be located within the Broadband Application Portal.

To pre-register for upcoming broadband grant programs, please visit www.FloridaJobs.org/Broadband.
