

7th Annual Leon Works Expo
Friday, April 28, 2023

Greetings:

The Tallahassee-Leon County Office of Economic Vitality (OEV) and Leon County Government are pleased to announce the 7th Annual Leon Works Expo that will take place at the Donald L. Tucker Civic Center on Friday, April 28, 2023.

The Leon Works Expo is a one-day event that exposes high school students to hundreds of businesses and academic institutions in the Big Bend Region in the skilled career areas of Health, Trade, Business & IT, and Creative. Looking to bridge the skilled jobs gap, the event teaches students about the opportunities available to them after high school and allows them to get a feel for what working in a skilled career would entail. At the Expo, students not only can interact with individuals currently working in a skilled career field but also take part in live demonstrations and hands-on activities with working professionals.

We invite you to be a sponsor of this year's Leon Works Expo. Each year, over 500 students attend the Leon Works Expo from Leon, Gadsden, and Wakulla counties. OEV and Leon County leverage existing community and business relationships to engage skilled employers both in Leon County and the Big Bend Region at the Leon Works Expo. In demonstration of our gratitude, OEV and Leon County Government will offer an array of incentives prior to and during the Leon Works Expo.

Please consider supporting this vital event by becoming one of our valued sponsors. We have attached partnership information for your review and consideration. On behalf of OEV, Leon County Government, and our workgroup partners, thank you for your consideration and continued support!

Sincerely,

A handwritten signature in black ink that reads 'Keith Bowers'. The signature is fluid and cursive, with the first name 'Keith' being more prominent than the last name 'Bowers'.

Keith Bowers
Director, Tallahassee-Leon County Office of Economic Vitality
