

Trend: Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) are federal programs encouraging domestic small businesses to engage in research and development with potential for commercialization. Through competitive awards, SBIR and STTR help small businesses explore their technological potential and give incentive to profit from commercialization. Since 2010, Leon County firms have been awarded over \$6.7 million, with 46% coming from the Department of Energy and 32% from the National Science Foundation.
