School Grades

Trend: Between 2022 and 2024, nearly half of all public schools in Leon County earned a grade of A or B. The 2022-2023 school and district grades incorporate results from new performance standards that serve as an informational baseline. Pursuant to FDOE Emergency Order No. 2021-EO-02, only schools for which an opt-in request was submitted by the school district superintendent or charter school governing board had a letter grade assigned for the 2020-2021 school year. The Florida Department of Education did not calculate K-12 school grades for the 2019-2020 school year due to effects of COVID-19 quarantine on reporting.
